

## Exposing the Dangerous Drift of Deceit.

### *Guided Growth with Pastor Keith @ CBC May 30<sup>th</sup> AM*

Last week we discussed from Mt. 6:21-24 how our internal “GPS” (value system) helps us recognize the difference between right and wrong. Much as a compass is supposed to help us navigate by pointing toward North, so our “Moral Compass” should point us toward God’s path, plan and peace. (AKA: His Wisdom) The physical compass actually points to “Magnetic” rather than “True” North, and the difference between the two is growing each year!

In much the same way, man’s wisdom continues to drift away from God’s. If we’re ignorant of this drift, we can easily become “spoiled” by worldly philosophies (Col. 2:8) inhibiting our ability to safely navigate the many snares Satan (and this world) place in our paths.

It’s an interesting coincidence that Magnetic North is currently moving toward Russia. It seems as if there are many forces at work to shift our historic American Values (aka: wisdom) away from their biblical foundations, and toward a more Marxist (*anti-God, Pro-Government*) direction.

### **This shift has been Persistent, Predicted and Intentional!**

2 Tim. 3:12 *“evil men and seducers shall wax worse and worse, deceiving, and being deceived.”*

**Attacks on American values have been going on for a long time.**

- 1848: Communist Manifesto. (Karl Marx)
- 1869: Origin of the Species by Charles Darwin.
- 1920: Formation of the ACLU (Roger Baldwin)
- 1925: Scopes “Monkey Trial” (Staged by the ACLU)
- 1933: Humanist Manifesto, promotes Humanism through education and media.
- 1962: Removal of God from American Education. (Also initiated by the ACLU)

**All of these have a common denominator! (A denial/dethronement of God)**

*“The first requisite for the happiness of people is the abolition of religion.”* Karl Marx

*“We must replace individualism with collectivism, without society knowing about it.”* Lenin

*“We cannot expect the Americans to jump from capitalism to communism, but we can feed them small doses of socialism, until they awake to find they have true communism.”* Nikita Khrushchev

<http://libertytree.ca/quotes/Nikita.Khrushchev.Quote.7174>

*“Your children’s children will live under communism! You Americans are so gullible. No, you won’t accept communism outright; but we will keep feeding you small doses of socialism until you will finally wake up and find you already have Communism. We will not have to fight you; We will so weaken your economy, until you will fall like overripe fruit ...*

*The democracy will cease to exist when you take away from those who are willing to work and give to those who would not”* Khrushchev July 1957

1958 W. Cleon Skousen distilled his FBI experience, decades of research, and more than one hundred communist books and treatises into one clarifying, readable volume that warned of this impending threat.

**He called it “The Naked Communist: 45 Communist Goals.”**

<http://restoringamerica.com/Documents/THE%20NAKED%20COMMUNIST%20GOALS%20WITH%20NOTES.pdf>

**“Communists possess the fortitude and knowledge to slowly reengineer society!”**

*His research was so compelling that these goals were entered into the Congressional record.*

His boss, J. Edgar Hoover (FBI Director) wrote: *“I feel certain that your efforts on this important subject will receive widespread attention and consideration.”*

Ronald Reagan Wrote: *“No one is better qualified to discuss the threat to this nation from communism. You will be alarmed, you will be informed, and you’ll be glad you heard him.”—*

## **So how come most American’s don’t know it exists?**

Karl Marx *“It’s essential that we educate the educator, so we control how they educate others.”*

Cleon Skousen: *“A communist’s most vital tool is the media!”*

Over the past 62 years America has implemented 44 of these 45 goals. For example:

4. Permit free trade between all nations regardless of Communist affiliation and whether or not items could be used for war.
6. Provide American aid to nations regardless of Communist domination.
7. Grant recognition of Red China and admission of Red China to the U.N. (Done in 1971)  
(2 of the 5 UN Security Council members are Communist!)
15. Capture one or both of the political parties in the U.S.
17. Get control of the schools. *Use them as transmission belts for Socialism and current Communist propaganda. Soften the curriculum. Get control of teachers associations. Put the party line in textbooks.*  
Remember, 18 of the HMI signers were educators! Signer Charles F. Potter writes,  
*“Education is thus a most powerful ally of humanism, and every American school is a school of humanism. What can a theistic Sunday school’s meeting for an hour once a week and teaching only a fraction of the children do to stem the tide of the five-day program of humanistic teaching?”*  
(Charles F. Potter, *“Humanism: A New Religion,”* 1930)
- John J. Dunphy, In the Humanist essay (1983) writes, *“The battle for humankind’s future must be waged and won in the public school classroom by teachers who correctly perceive their role as the proselytizers of a new faith: A religion of humanity – utilizing a classroom instead of a pulpit to carry humanist values into wherever they teach.”*
19. Use student riots to foment public protests against programs or organizations that are under Communist attack.
20. Infiltrate the press. Get control of book review, editorial writing, policy-making positions.
21. Gain control of key positions in radio, TV & motion pictures.
22. Continue discrediting American culture by degrading all form of artistic expression.
23. Control art critics and directors of museums. *“promote ugliness, repulsive, meaningless art.”*
24. Eliminate all laws governing obscenity by calling them *“censorship”* and a violation of free speech.
25. Break down cultural standards of morality by promoting pornography and obscenity in books, magazines, motion pictures, radio and TV.
26. Present homosexuality, degeneracy and promiscuity as *“normal, natural and healthy.”*
27. Infiltrate the churches and replace revealed religion with *“social”* religion.
28. Eliminate prayer or any phase of religious expression in the schools on the grounds that it violates *“separation of church and state.”*
30. Discredit the American founding fathers.
31. Belittle all forms of American culture and discourage the teaching of American history ...”
32. Support any socialist movement to give centralized control over any part of the culture...
38. Transfer some of the powers of arrest from the police to social agencies. (Defund the Police!)
40. Discredit the family as an institution. Encourage promiscuity and easy divorce.
41. Emphasize the need to raise children away from the negative influence of parents.
42. Create the impression that violence and insurrection are legitimate aspects of American tradition;

## **What’s the big deal about Communism?**

- 1) It’s directly responsible for 100 million deaths over the past 100 years!
- 2) It’s philosophy (no God-Big Govt) sets the stage for the events of Rev. 13

**Application:** Ps 11:1-3 *“If the foundations be destroyed, what can the righteous do?”*

Pr 4:26 *“Ponder the path of thy feet, and let all thy ways be established.”* (kun: Directed) (Pr. 3:5,6)
